

1. The goal of the presentation is to inform the audience of the dangers of picking a bad internship or minor and introduce them to a new way of handling this.
2. ???
3. Internship. Business. Minor. Adhere. Credibility. Review.
4.
 - I'd like to begin by taking a look at ...
 - Let's turn now to ...
 - What does this mean for...?
 - Finally, let me remind you of some of the issues we've covered...
 - That concludes my presentation.
5. Have an active body language and look people in the eye.
6. Start just full on screaming when people at the back are whispering.
7. Have an active body language and look people in the eye. (huh?)
