

## Presentation Assignment 1 – Informative

---

**In the second class, you will deliver an English-language presentation.**

- In groups of 2: within your project group (uneven number: one group of 3)
- **10 minutes in total** (5 minutes per student)
- Informative type of presentation, on an IT-related topic, or on your project
- Using professional phrases and professional language
- Well-structured according to the “rule of three”, as described in Talk like TED
- Containing a “jaw dropping moment”, as described in Talk like TED
- Using no more than 40 words per 10 slides, as described in Talk like TED
- Appealing to multiple senses, as described in Talk like TED
- Using formal grammatical structures
- Appropriately delivered, as described in Talk like TED
- Applying correct pronunciation and intonation
- Your presentation needs to be recorded
- The structure of the presentation has to be evident and the switch between speakers must be natural and fluent
- The presentation has to be interesting, entertaining and inspirational

Before the presentation, you will fill out a strategy sheet. Bring this to class!

This is a practice presentation. The audience will assess your performance, filling out the rubric which is available through Blackboard.
